

FEATURES & BENEFITS

H | CLASS™ 100Q

COMPACT AND LIGHTWEIGHT, 15 lbs (7 kg) – Perfect for taking to classes and for travel.

COMPUTERIZED SEWING MACHINE – Computer functions save time and make sewing easy. The ideal stitch settings are set automatically and can be adjusted for special techniques.

STITCHES – 20 quilting, utility and decorative stitches, including two one-step buttonholes for all your creative projects. Adjust stitch width up to 7mm.

START/STOP BUTTON – Sew without the foot control.

SPEED CONTROL SLIDE – Adjust the sewing speed for greater control.

NEEDLE UP/DOWN – One touch sets the needle to stop up or down for pivoting, appliqué and accurate sewing.

EXTRA-HIGH PRESSER FOOT LIFT – Raise the presser foot to its highest position ensuring that thick fabrics and multiple layers can be placed easily under the presser foot.

BUILT-IN NEEDLE THREADER – Makes threading easy.

FEED TEETH LEVER – Easy to lower feed teeth for stippling, free-motion sewing or button sewing.

FIX FUNCTION – Touch FIX button to stop sewing and automatically tie off for secure seams and a neat finish for decorative stitches.

HUSQVARNA VIKING® SNAP-ON PRESSER FEET INCLUDED – A large assortment of optional accessories are also available.

ADJUSTABLE PRESSER FOOT PRESSURE – Sew any fabric type and weight with perfect results.

ADJUSTABLE THREAD TENSION – Easy to adjust for special threads and techniques.

ADJUSTABLE NEEDLE POSITION – Place stitches in the perfect place.

TOP LOADING BOBBIN WITH CLEAR COVER – Thread floats around the bobbin area for jam-free sewing. The clear cover makes it easy to monitor the amount of bobbin thread.

HARD COVER – Protects machine when transporting.

BUILT-IN ACCESSORY TRAY – Easily store all your accessories right at your fingertips.

ACCESSORY KIT – Complete with 6 presser feet, bobbins, screwdriver, seam ripper, package of needles and a quilting guide.
