## Current Fee Classes: March and April 2020

### Microwave Pot/Bowl Holder: Workshop: Ages 16+

**When:** Mar. 22, 2020 **Time:** 11am-1:00pm **Fee:** \$25 **Teacher:** Ivy Orcutt

Have fun making this easy and "oh, so useful" microwave potholder. Think how easy it will be to safely remove that hot bowl of soup or reheated leftovers from your microwave by just picking up the corners of this bowl-shaped potholder. Although we will make a medium-sized bowl that is perfect for soup bowls and similarly sized containers, the potholder can be easily scaled up or down. This potholder also makes a great gift.

This project uses a few 100% cotton materials so that it is safe to use inside the microwave. You get to choose the fabrics; match your kitchen décor, go wild and use lots of bright colors, or use up fabrics from your stash.

Although 2 rows of simple machine quilting get the job done, you can choose to add more quilting or practice your free-motion stitching.

#### Pre-requisites: Pre-registration Required

1. Must know how to set-up your sewing machine and have basic sewing skills
2. The sewing machine must be in good working order.

### Adult Sew: Ages 16+ Two 3-hour sessions per month– See calendar for dates and times.

Take this class after you have completed Beginning Sewing or if you are an experienced sewer and wish to increase your sewing skills. Construct a sewing project of your choice based on a commercial pattern. During class, the instructor will help you with the required sewing techniques as you work through the construction. Instructor approval is required for extremely large or complex projects.

**Instructor:** Ivy Orcutt

#### Pre-requisites: Pre-registration Required

1. Basic sewing machine operation. You must know how to set-up and do basic stitching on you own sewing machine or on the class Viking sewing machine. See Sewing Machine Basics class information if you need to learn how to us a sewing machine. If you are using your own sewing machine, it must be in good working order.
2. Cut your fabric according to a commercial pattern. Have basic sewing skills using a sewing machine.

### Free-Motion Stitching Techniques

**When:** Mar. 22, 2020 **Time:** 11am-1:00pm **Fee:** \$25 **Teacher:** Ivy Orcutt

This class covers free-motion quilting/stitching concepts and techniques: sewing machine set-up; needle, thread and foot selection; stippling; meandering; stitching specific motifs/patterns.

**Instructor:** Ivy Orcutt

#### Pre-requisites: Pre-registration Required

1. Have basic sewing skills using a sewing machine.
2. Basic sewing machine operation. You must know how to set-up and do basic stitching on you own sewing machine.
3. Your sewing machine must be in good working order.
