LAURASTAR CELEBRATES ITS 35TH ANNIVERSARY IN STYLE

In honour of its 35th anniversary, Laurastar dresses up the Laurastar Pulse with a touch of glamour: a vivid coral ironing board cover which is particularly resistant to heat and resolutely stylish... an ultra-modern combination!

A BRAND NEW HIGH PERFORMANCE IRONING BOARD COVER IN LIMITED EDITION

With its bold and distinctly glamorous new colour – created exclusively to mark the brand's 35th anniversary – the Laurastar Pulse sets itself apart with an artful blend of beauty and high technology.

It is made from a material designed to withstand extremely high temperatures, currently used in the manufacture of protective clothing worn by professionals. Praised by ironing experts, its unique qualities complement the numerous high-tech features of the Laurastar Pulse ironing system.

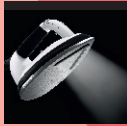

AN IRONING SYSTEM AS EFFICIENT AS A DRY CLEAN

ACTIVE BOARD

Equipped with a blower system to prevent unwanted creases and a vacuum system for perfect pleats, it restores the original beauty of your clothes.

PULSE STEAM

It's ultra-fine steam protects delicate fabrics and maintains colours and volume. Diffused in short intermittent and automatic pulses, it guarantees optimal steam distribution and perfect results.

VERTICAL STEAMING: THE FINISHING TOUCH

Naturally ergonomic and easy to handle, the Laurastar Pulse offers quick and easy vertical steaming.

ALL-IN-ONE IRONING SYSTEM

Fast and convenient, this all-in-one ironing system is ready to use in just 3 minutes and folds away to a compact 20 cm!
