

T-shirt and Tops Alterations Workshop

Sunday, July 15, 1-5pm

\$35

Skill Level: Beyond Basics. Must have basic sewing machine skills.

Learn how to alter your T-shirts and similar knit tops for a more flattering fit or to add your own design details. Students will learn how to: Hem or reshape the bottom edge or the sleeves; Contour the side seams for a more form-fitting silhouette; Reshape the neckline; Add pleats, tucks or darts.

Students will alter one or more of their own T-shirts or knit tops. Machine techniques covered include twin needle hemming, creating stretch seams, and overcasting.
