

Features & Benefits

Huskylock™ s21

4, 3, 2 THREAD SEWING – your choice for decorative and utility sewing

21 STITCHES – You trim, stitch, overcast or embellish a wide variety of fabrics in half the time

- **Coverstitches** – Sew a 3mm, 6mm or triple coverstitch, recommended for active wear or other decorative stitching
- **Chainstitch** – Join fabric layers where a pressed open seam is usually required. Works well as a basting stitch
- **4-thread overlock** - reinforces, trims fabric, overlock and seams for great results.
- **3-thread overlock** – narrow and wide overlock, seams, decorative bindings and finishes
- **2-thread overlock** – narrow and wide overlock seams, flatlock and rolled edge on light weight fabric

- **Built-in rolled edge** – sew 2 or 3-thread rolled hems quickly without changing the presser foot or stitchplate

LARGE SEWING SPACE – more space for coverstitch projects

EXTENSION TABLE INCLUDED - offers a generous work surface to support large projects

PRE-PROGRAMMED STITCH SETTINGS

– Choose stitch program and the machine automatically sets the thread tension for you

TENSION RELEASE – threads pull easily when presser foot is up

EASY THREADING INSTRUCTIONS

– step-by-step interactive DVD

EASY TO CHANGE FROM OVERLOCK STITCHES TO COVERSTITCHES - no needle plate/presser foot change needed at conversion for different stitches

LAY-IN TENSION AND COLOR CODED THREAD PATHS – easy to thread and easy to see

DIFFERENTIAL FEED – eliminates stretching of knit fabrics and puckering on lightweight fabrics. Can also be used for automatic gathering

ADJUSTABLE STITCH LENGTH, CUTTING WIDTH AND PRESSER FOOT PRESSURE – select best length and fine tune width for sturdy seams and flat smooth stitches on all fabrics

EL NEEDLES – Industrial type needles for high speed work and perfect stitch result

PRESSER FEET

- **Universal Standard presser foot** – can be used with all built-in stitches
- **Snap-on presser foot** – easy to change to optional feet for specialty techniques.
- **Optional feet** – a wide range of optional accessories to enhance your sewing results

EXTRA PRESSER FOOT HEIGHT – to easily sew several layers or heavy fabrics

SPEED

- **Sews 1100 stitches per minute** – sew faster, save time.
- **2 sewing speeds (on foot control)** – When you want more control use the slower speed

ELECTRONIC PIERCING POWER – stitch-by-stitch control with full piercing power at all speeds

SAFETY SWITCH – the machine will not sew when the front cover is open

MOVABLE UPPER CUTTER – disengage the cutter for special techniques

BUILT IN TWO THREAD CONVERTER – Easy conversion to 2-thread stitches

THREAD CUTTER – quick cutting of thread

RULER – use for quick measurement

BUILT IN EXTENDED CARRYING HANDLE – move the machine without tangling the threads

WASTE TRAY – catches the scraps and threads
